PHOTOGRAPHY

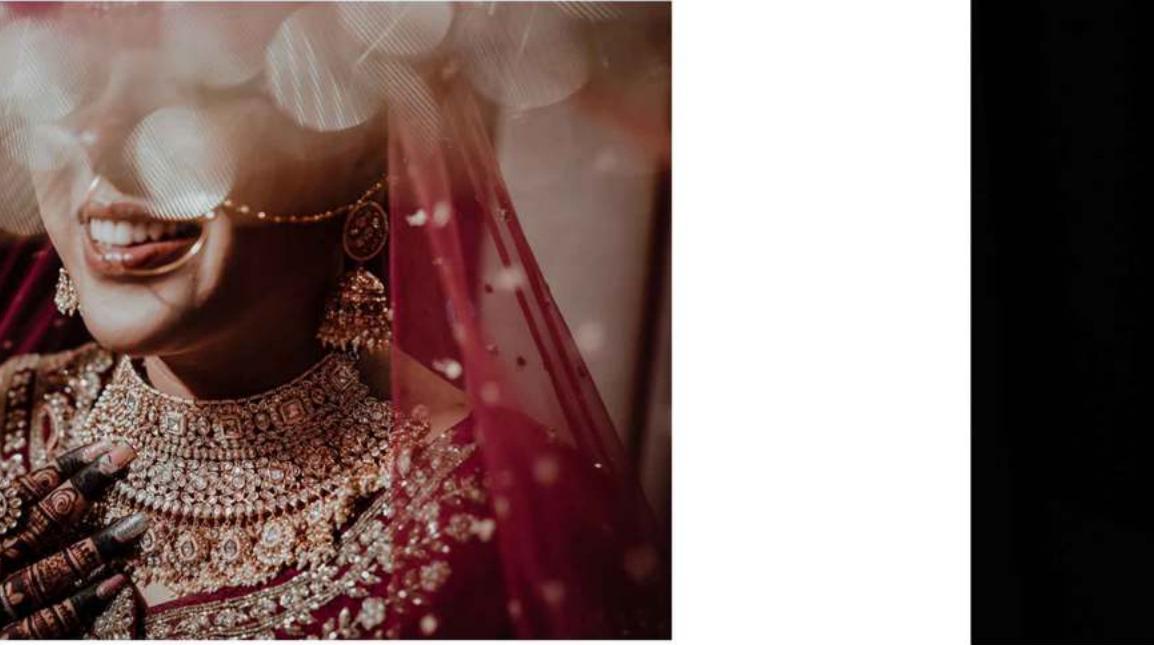

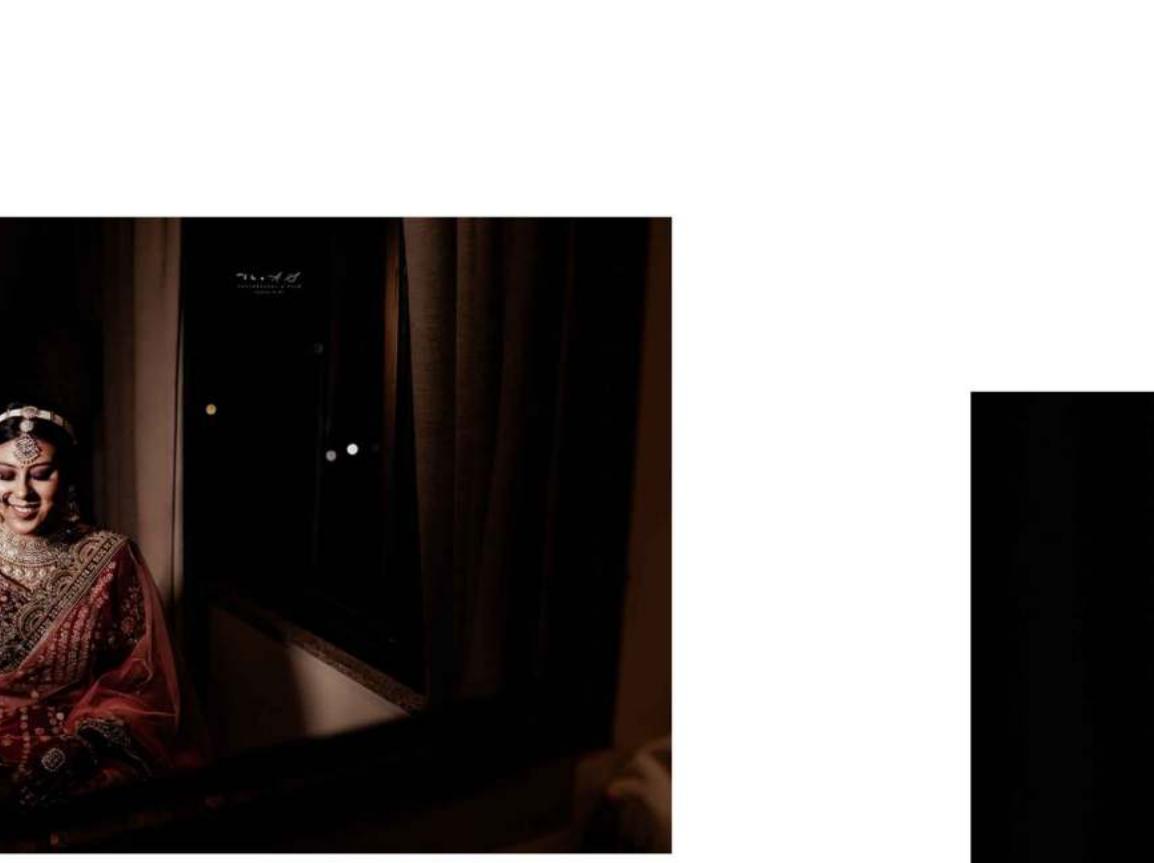

Celebrating the wedding of a close family member? For those that know you best and whom you know best, you'll want to create an over the top wedding wish. Writing a personal wedding card message is a great way to welcome their new partner into your family.

If you think a funny wedding card message will put a smile on the bride and groom's faces then go ahead and write something laugh-worthy. Just proceed with caution, you don't want your wedding message to come off as sarcastic or insincere. Remember that a sentiment that may easily come across as a joke can be taken the wrong way.

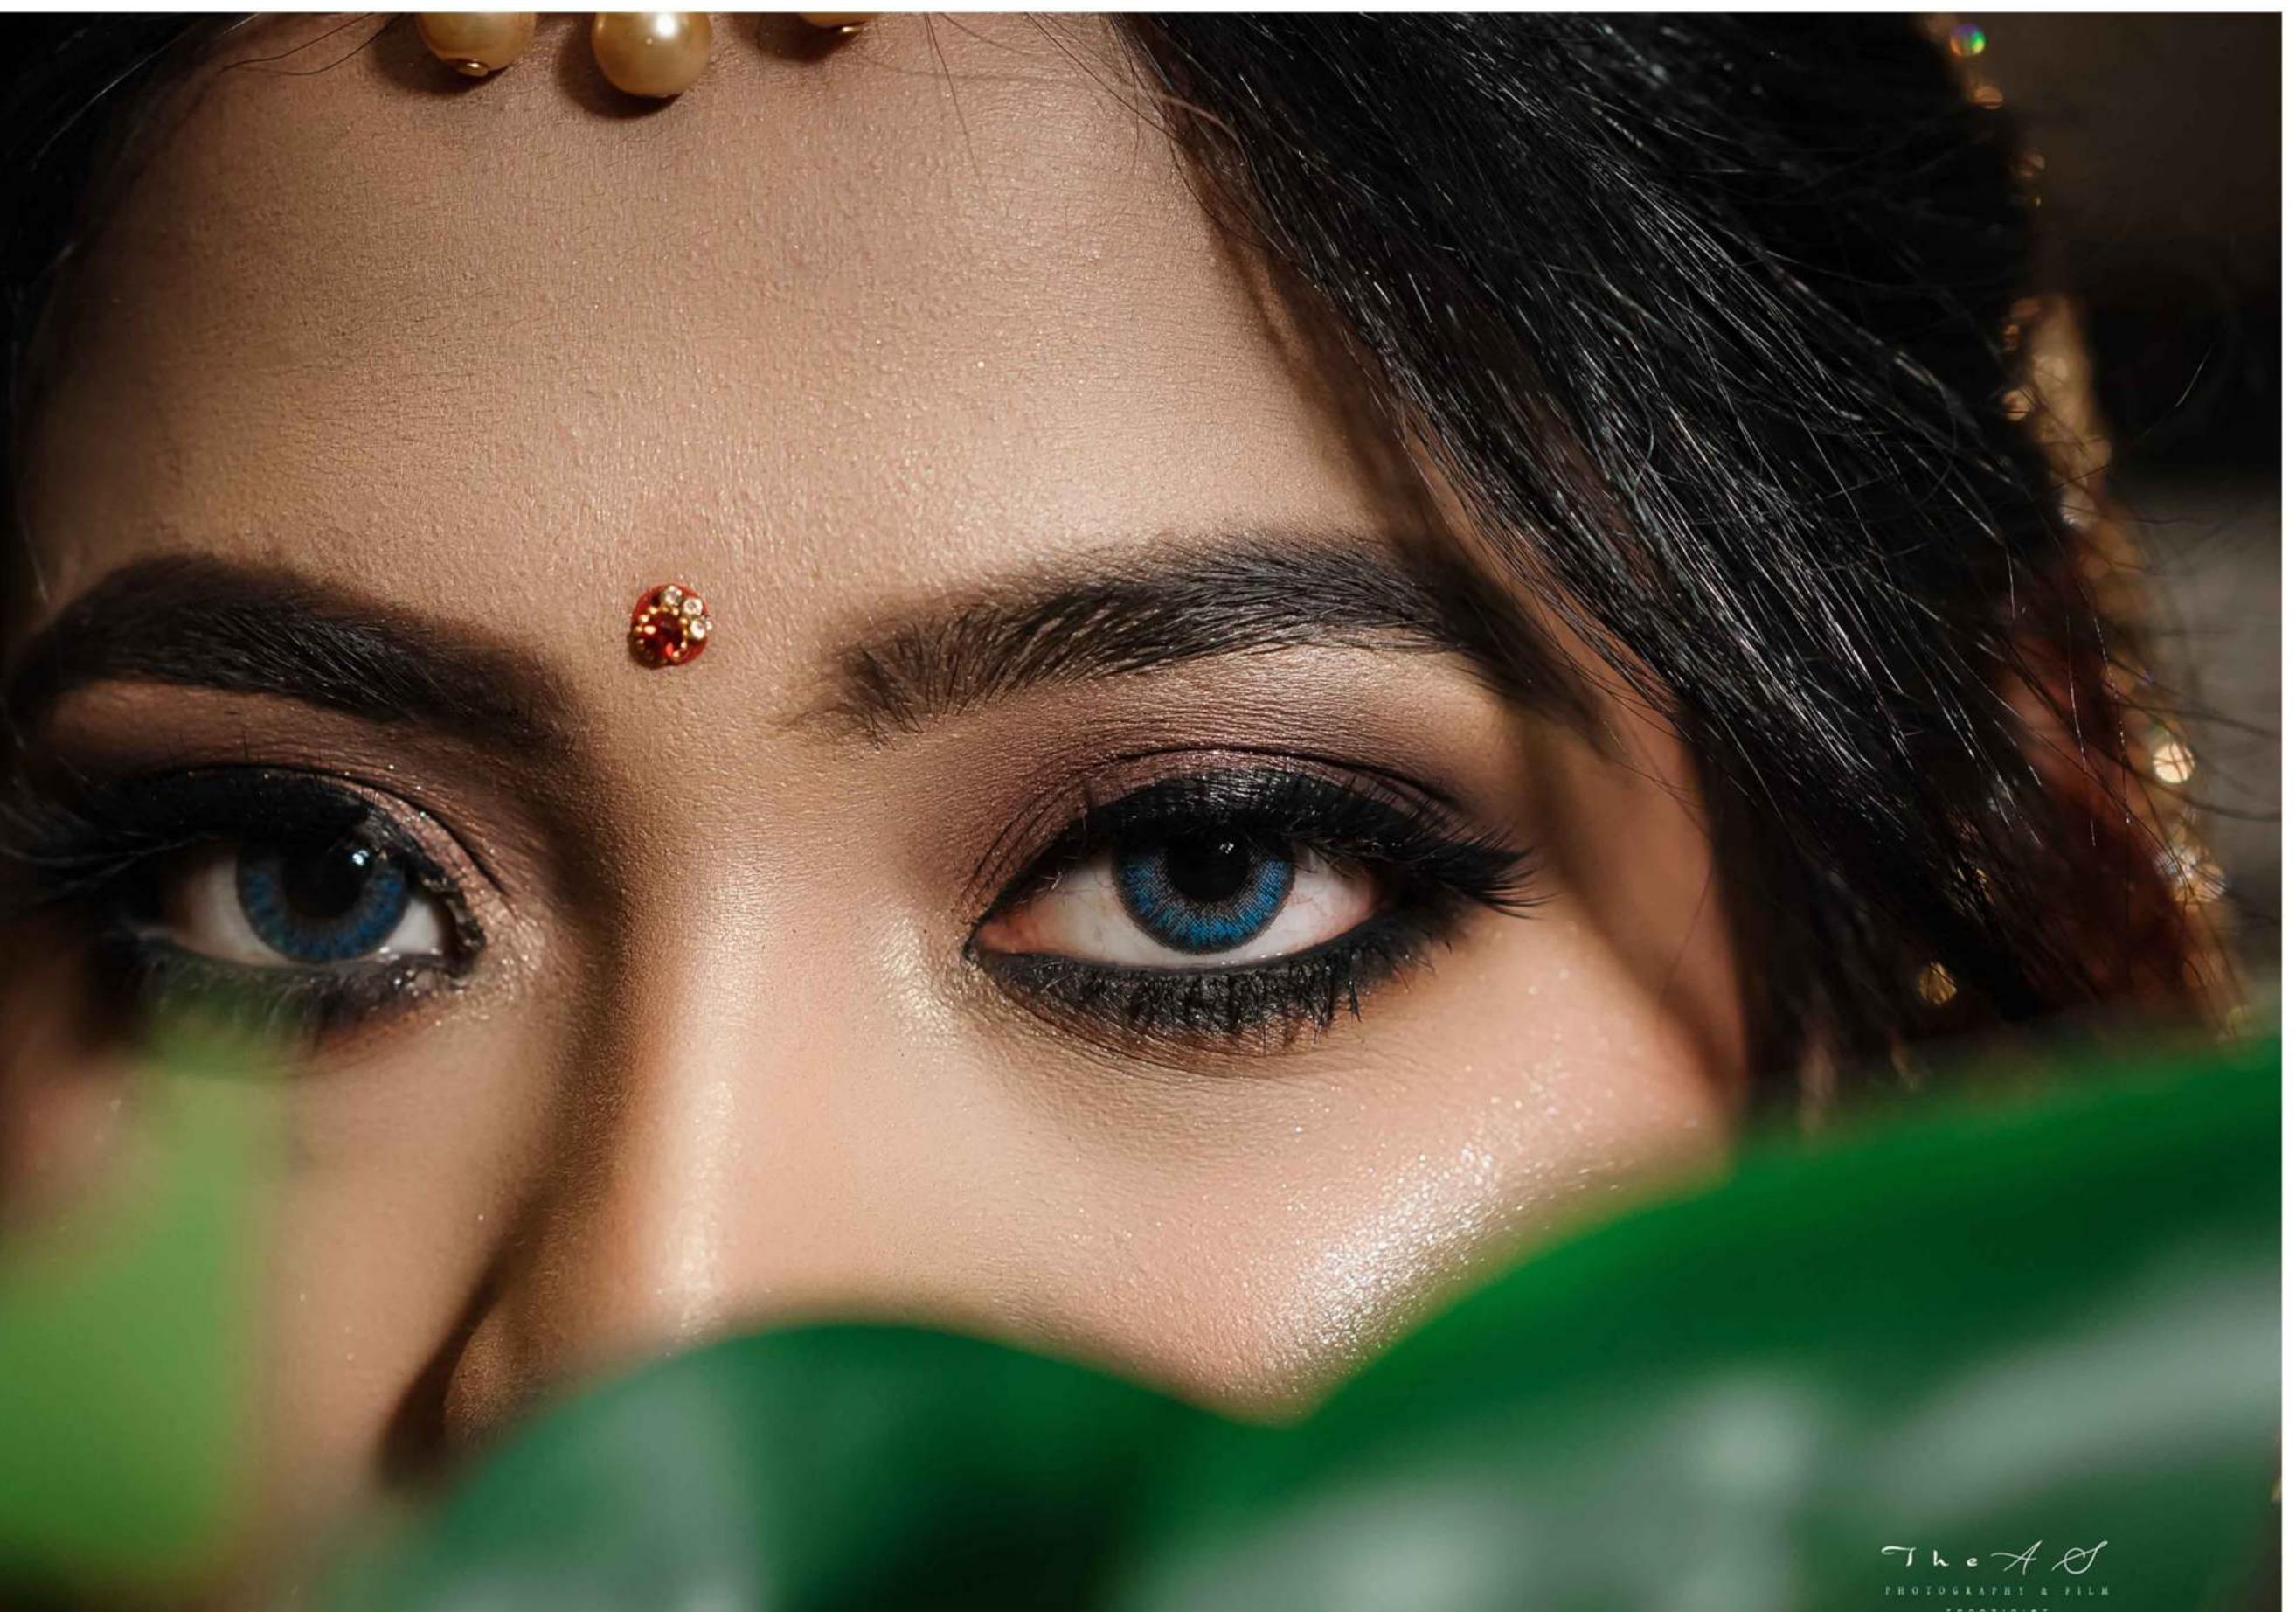

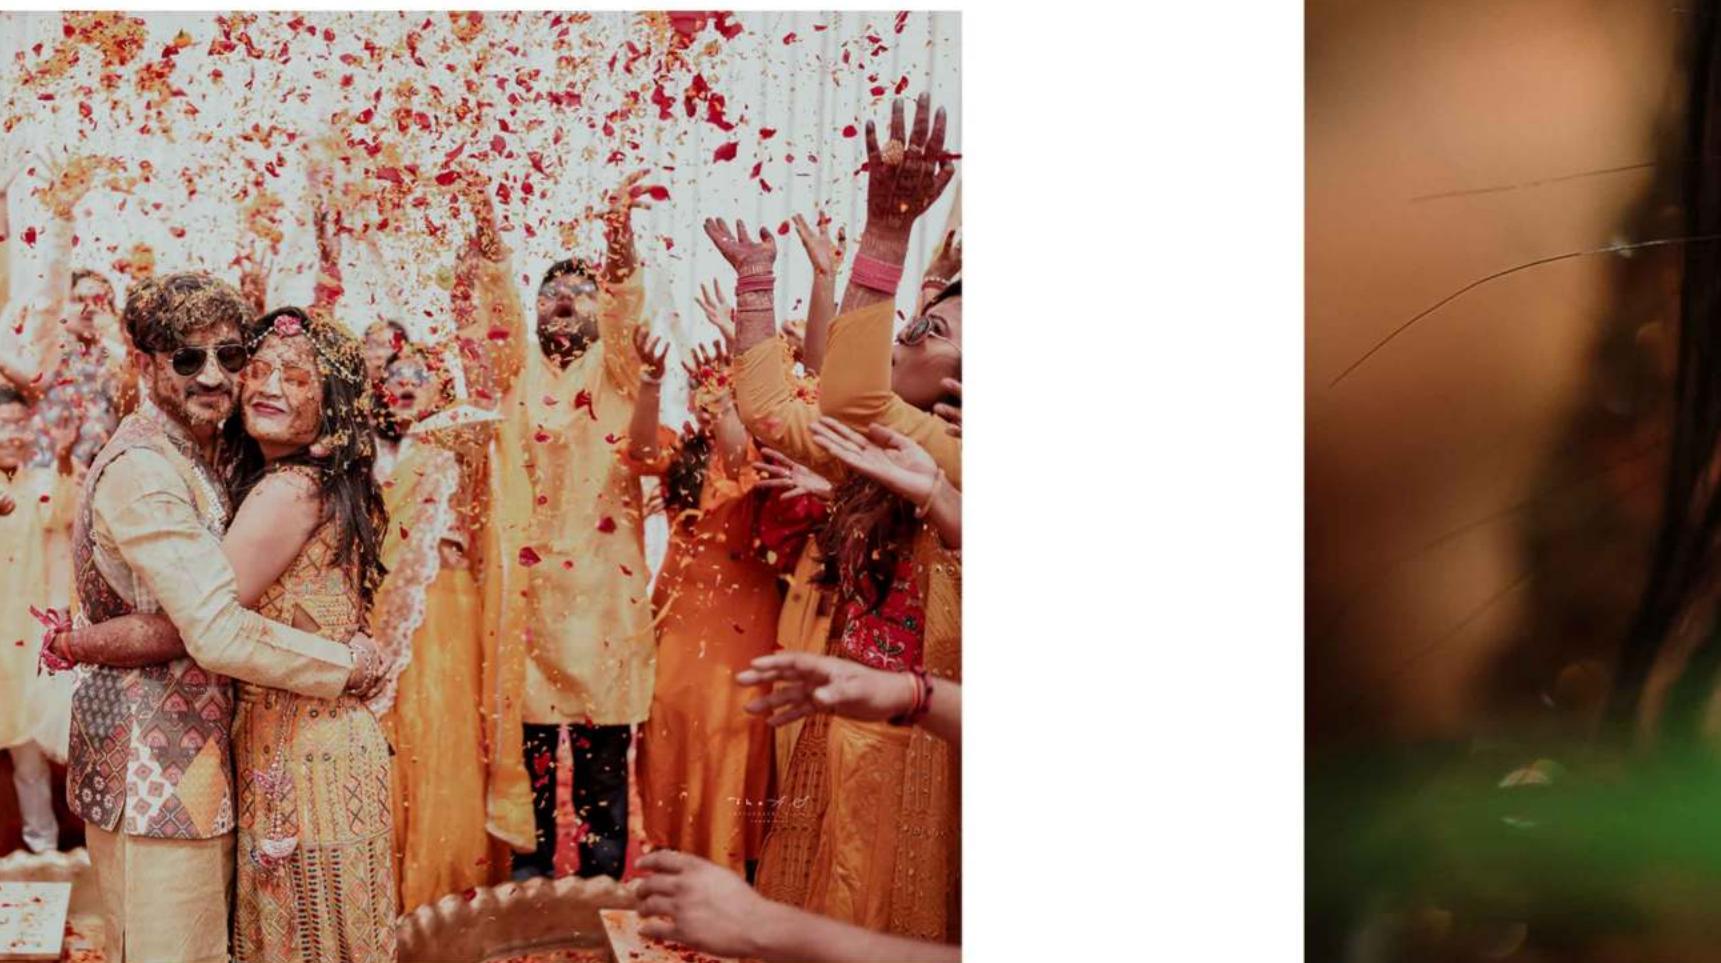

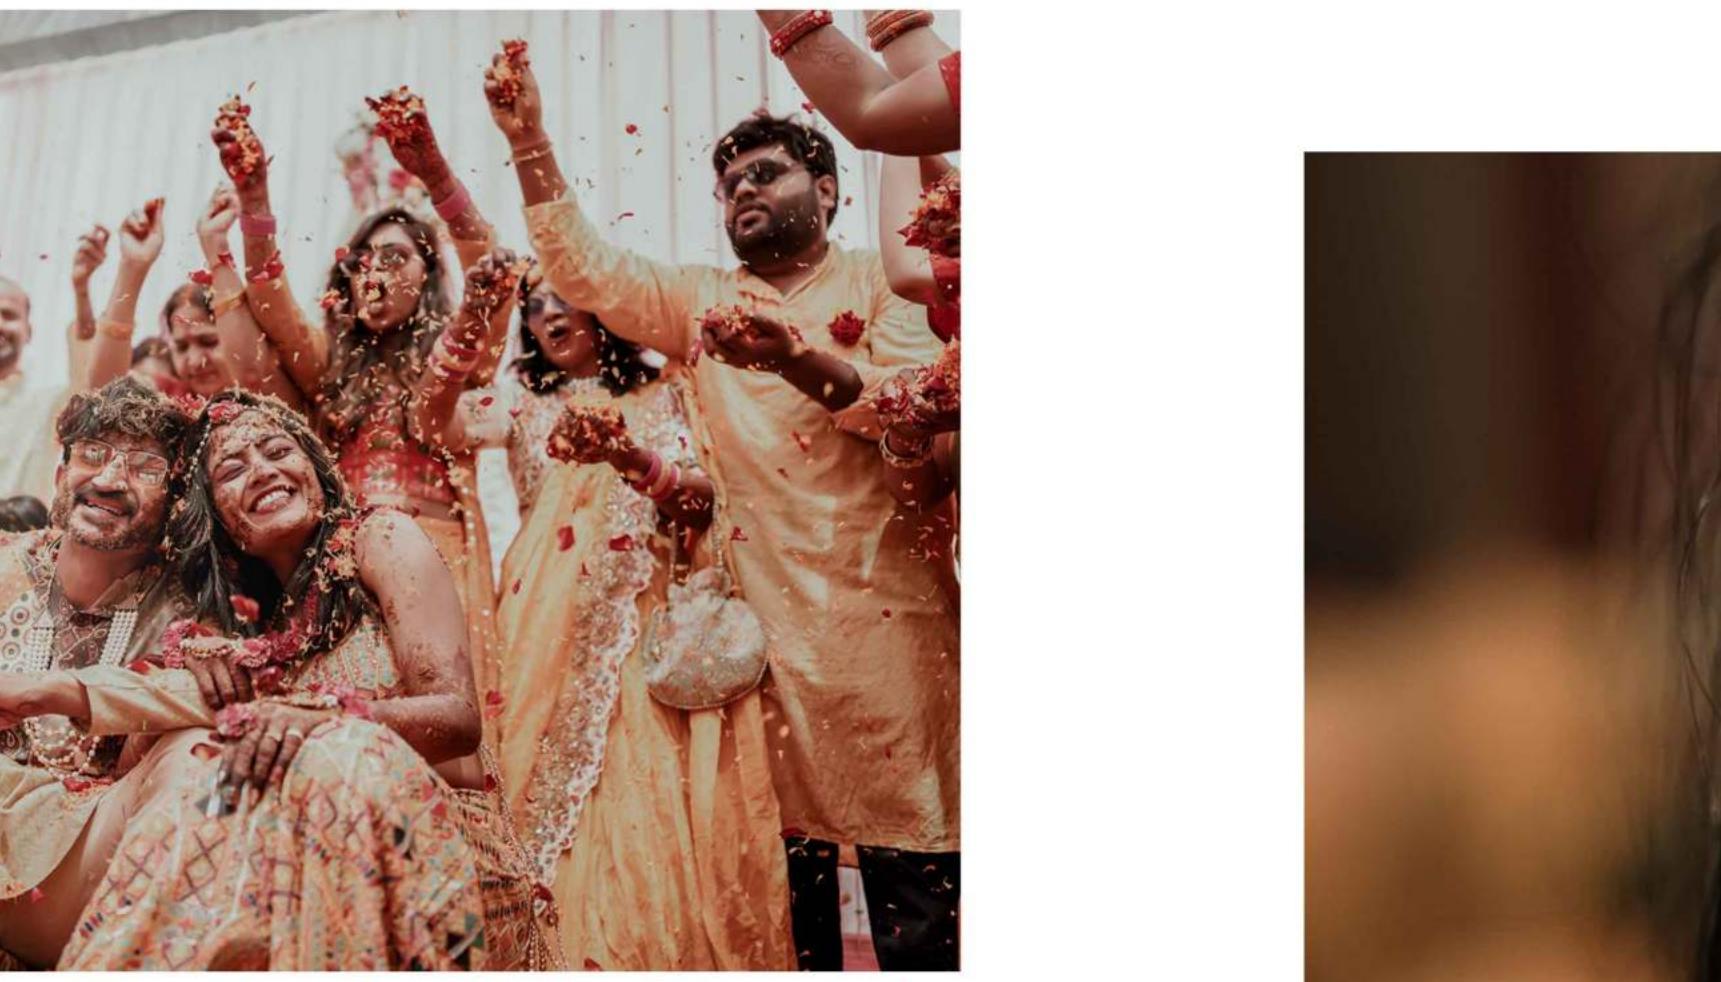

With that being said, divorce jokes are off limits! Use your best judgement when writing your funny wedding wish and you'll be well on your way to creating the perfect wedding card with a side of smiles.

A REAL HEROINE IN LIFE

What greater  
thing is there for two human souls,  
than to feel that they are joined for life-to  
strength each other in all labor  
to rest on each other in all sorrow,  
to minister to each other in silent unspeakable  
memories at the moment of the last parting?"

"A hundred hearts would be too  
few to carry all my love for you."  
You will find,  
as you look back upon your life,  
that the moments when you have  
truly lived are the moments when  
you have done things in the spirit  
of love.

THE BEST LOVE IS THE KIND  
THAT AWAKENS THE SOUL  
THAT MAKES US REACH FOR MORE

It takes a minute to have a crush on someone an hour to like someone and a day to love someone  
but it takes a lifetime to forget someone

WD  
*Story*

Somewhere there waits in the world of ours  
For one low soul another lonely soul -  
Each clinging each through all the weary hours.  
And reaching strength of one sudden goal,  
Then blushing they - like green leaves with golden flowers.  
Like one beautiful and perfect whole -  
And like long night is ended and the day  
Like span onward to eternal day.

Mr. & Mrs.

from this day forward, you shall not walk alone.  
My heart will be your shelter, and my arms will be your home..
